Objective

To meet and exceed expectations for any job or duty assigned in a professional and timely manner.

Experience

Crew Chief, Florida Film Festival 2009, Full Sail University, FL **03/2009-04/2009**

- Manager of promotions crew while on-site at the Florida Film Festival. Responsible for public relations related items for the university throughout the festival, including signs, banners, plasma screens and display tables.
- Designed power and lighting scheme for all needs during the festival at five separate locations.

Lighting Assistant, Super Bowl XLIII, Video Tech Services, FL **01/2009-02/2009**

- Assisted the Lighting Director and Master Electrician in the set up of lighting for different events for the Super Bowl in Tampa.
- Unloaded trucks, built truss, hung lights and assisted the rigger.

Crew Chief, Sesame Street Experience for Military Families, VEE Corporation, MN **06/2008-11/2008**

- In charge of all technical aspects of the show. Everything from lighting and sound to video projection.
- Managed local crew for show load-ins and load-outs in 43 different military bases around the US.
- Stage-managed the forty-five minute show with live performance, video and opening monologue.

Crew Chief, Florida Film Festival 2008, Full Sail University, FL **03/2008-04/2008**

- Supervised grip/electrical and promotions crew for the entire festival and its various events including parties, dinners and award ceremonies.
- Worked with Airstar lights.

Education

Bachelor of Science in Film, Full Sail University, FL **Graduated: 02/2008**

Graduated with a 3.85 GPA.

High School Diploma, Colegio San Antonio, PR **Graduated: 05/2005**

Skills

I consider myself to be a good leader, a quick thinker, and a fast learner. I have very good technical and computer skills, which allow me to familiarize myself with any piece of equipment in a quick fashion.
